PRESIDENT'S MESSAGE

Greetings Members,

It is hard to believe that 2007 is almost over! As your newly elected President of the Iowa Paint Horse Club, I want you to know that I, along with others are dedicated to making a difference in this club. With your help and involvement, I feel the club has a promising future for everyone.

With this thought in mind, we can all take a proactive stance, and start at the ground level. Building our club, by recruiting new members and exhibitors, and welcoming back old members, needs to be a top priority! The most important thing we can do is work together, to create a welcoming horse show atmosphere.

My goal is to get more involvement and feedback from "You", the members. Because there is a need to establish a strong relationship between the board and it's members, I am inviting everyone to come to our Board Meetings. This is where decisions are made regarding "Your Club". Feedback and involvement from the membership is very important, watch our website and newsletters for information on dates and locations. We will try to have most of the meetings at our horse shows, making it easier for everyone to attend.

Your involvement is needed to make this a reality, change does not happen without input. Come help the Club grow in a positive direction, be a part of it all!

Sincerely,
Lyle Hanson, IPHC President

PAINTS, QUARTER HORSES, & THOROUGHBREDS

All ages for sale or on-farm lease. Our horses are handled from birth, professionally trained, and given trail and ring experience. The result - horses that are mentally and physically ready for your equine activities.

FULL SERVICE BOARDING

Our facility includes pastures, paddocks, a twenty-two stall barn with an indoor arena (60'x80'), new outdoor arena (80'x160'), and plenty of trails. Visitors are always welcome!

COB HORSE BEDDING

Virtually dust free! Locks in odors, thus improving the air-quality in your barn.
100% biodegradable. BEST COB is 100% palletized corncobs, with no additives.
Superior moisture absorption: one 40# bag of BEST COB will absorb 18.5 gallons of moisture.
Nearly twice the absorption of wood shavings!
BEST COB requires fewer bags to maintain a clean, healthy stall. You save handling and valuable storage space.
Support our local agri-businesses by using BEST COB - a locally grown product.

FARM & RANCH PRODUCTS

Klene Big Bale Hay Feeder

Practically waste free! Hay is up out of the mud and muck.
Fold down grills stop horses from burying their heads into the bales; eliminates breathing problems and eye irritation.
Brackets for roof attachment.
Heavy-duty main frame designed for many years of service.

Portable Steel Buildings

Plastic Lines: kick and chew proof!
