## WELCOME

The Iowa Paint Breeders Futurity auction of 2009 will be our 34<sup>th</sup> futurity auction. Over the years, many changes have happened, new rules have been implemented, and substantial growth has been experienced. This futurity continues to move forward and remain strong. With pride, Iowa Paint Enthusiasts have watched what was once an Iowa futurity, grow to include the Midwest, and has now expanded across the United States. Within the pages of this catalog, the popularity of this annual Iowa event is evident in the selection of stallion services offered for your consideration. Whether you are breeding for a halter prospect, a hunter under saddle individual, a western pleasure hopeful, or an all around individual, this year's auction has a stallion service opportunity to suit your needs. It's exciting to note, that over 40 of the services being offered are new to the auction.

Two main ingredients make up this futurity auction. The futurity auction would not be possible without the stallion owners, nor would it be necessary without the mare owners. Together, this combination assures competition of top quality Paint Horses, significant prize money, and increased marketability for your futurity eligible foals

The information within this catalog is prepared for your benefit. It is presented to you as it has been presented to us by the stallion owner on the contract. Researching your potential purchases prior to the auction helps to insure your satisfaction in the service of your choice.

2009 promises to be a year of many changes in our country and the world around us. The futurity committee wishes everyone the best as we all experience the challenges and changes facing us. Good luck on your bidding. May you get the service that results in your next winner!

The Iowa Paint Breeders Futurity Committee.

AND-----Speaking of change-----we are now also responsible for the Iowa Open Futurities. Watch for updates on the new exciting things about to happen with the open futurity.

**\$3000 SPECIAL 3 YEAR AWARD**

MISTERS HIGH NOTE  
(Obviously A Securitee x Reds Mary Ann)  
2006 Sorrel Overo Gelding

As we enter the twilight of our horse showing and breeding career, the winning of this special award is the most gratifying award we have ever received.

I say this because Reds Mary Ann by Hollywood Red x R Spiten Teddy is a 1995 Mare we bred and raised. Her entire life has been on our farm. She has produced two other winners in this futurity. All of her babies have exhibited those traits we enjoyed in Misters High Note.

The next reason of satisfaction is Obviously A Securitee, a 2000 Sorrel Overo Stallion by Obviously A Mister X Securitee Note. He earned his Superior in Halter as a 3 year old. He was also bred and raised on our farm and was our herd sire for several years.

Lastly, we would like to express our appreciation to the Iowa Paint Horse Club for this futurity. Since the purchase of the Comanche Mount breeding in 1983, we have been able to participate every year. Some years have been more fun than others, but this year has been special.

We are also grateful for all the people we have met thru owning and showing horses. There are too many to name individually, however we would like to especially thank Leon & Terry Borcharding for the years fitting and showing our horses and for their friendship.

Thank you  
Jim and Judy Bergkamp

### Futurity Packets

In an attempt to simplify things, the futurity committee is color coding the items for each year's auction. You will notice, the catalog, rules and forms for the 2009 auction, resulting 2010 foals are all in shades of orange. Keep this in mind as you make your entries. It is most helpful to everyone in the event that you sell your futurity eligible foal, that you include the proper color coded entry forms for the new owners.

### Important Eligibility Facts

1. To be eligible, the stallion must be in our action and the service must sell. Unsold services may be purchased at \$100 over the minimum bid requirement postmarked no later than June of auction year.
2. The Stallion Service MUST SELL or his offspring will NOT be eligible for the futurities!
3. If sold, stallion has a maximum of 3 foals from each auction eligible for this ongoing futurity. One foal is eligible for the purchaser of the stallion service, 2 foals are eligible for the stallion owner.
4. December 1<sup>st</sup> of said stallion auction year, ALL mare nominations are due. (LATE mare nominations are accepted from Dec 1<sup>st</sup> through Dec 31<sup>st</sup> with a \$100 late charge per nomination required.) Absolutely NO mare nominations are accepted after Dec 31.
5. If the stallion owner chooses to use their 2 mare nominations they must include a payment of the minimum bid requirement per mare nomination.
6. The stallion owner's mare nominations do not have to be used by the stallion owner. The stallion owner may give written authorization for a mare owner to use the stallion owner's nomination(s), but must pay ½ of the advertised stud fee plus \$25 per nomination (which is minimum bid requirement).
7. PLEASE READ ALL RULES FOR THE IOWA PAINT BREEDERS FUTURITY AND KEEP FOR FUTURE REFERENCE!

If you have further questions and or comments please contact one of our Futurity Committee members.

We are pleased to add another One Hot Krymsun son to our stallion line up. His mother, Krystal Zipper (sorrel overo) is a point earner and earned a ROM before her short show career ended. Her dam, Maid of Crystal, was an awesome show mare with 2 Reserve World Championships, 867 Lifetime points in halter and "Rio" has that modern western pleasure look and movement. - D. The Futurity Committee reserves the right to make decisions on the requests for reclassifications, substitutions, and/or refunds. In the case of an unusual request or circumstance, the Futurity Committee will present the request to the IPHC Board for their consideration, and their decision will be final.

**II. RESPONSIBILITIES OF THE FUTURITY PARTICIPANTS**

- A. It is the responsibility of all IPBF participants to know and abide by all the Rules as published.

- B. There can be no substitution for any horse entered in the Futurity. In the case of withdrawal from competition, disqualification, or death, all fees paid are forfeited and shall remain in the Futurity fund to be distributed as purse.
- C. Both owner and exhibitor of Futurity entry must be current IPHC members. Exhibitor must be the same under all judges. All IPHC rules will apply.

Refer to APHA rules of ownership.

E. Each Futurity entry will be charged an office fee the day of the show. It is the responsibility of the owner or exhibitor of each entry to complete the entry, fill in the exhibitor's name, sign the form and pay the office fee and any other monies owed for that entry.

All weanlings must be checked in and entries paid before the split cut-off. Other age divisions must have entries paid before entering their class.

It is also the responsibility of the owner and exhibitor to verify current membership and qualification of the exhibitor (Refer to III-C and D).

### VIII. WEANLING FUTURITY

- A. Refer to all General Futurity Rules (Section III).
- B. Foals resulting from services purchased through this Futurity Auction or by way of late purchases must be identified on the form provided in the Futurity packet and sent to the futurity secretary, postmarked on or before **July 1** of the weanling year.
- C. In the case of embryo transfers, only one foal, resulting from the nominated mare and the purchased stallion, will be eligible for the Iowa Paint Breeder's Futurity.
- D. Late foal identifications will be accepted with a \$50 late fee if postmarked on or before **July 31**. Foal ID's received after July 31 and postmarked on or before September 1 will be accepted with a \$300 additional fee, plus all corresponding late fees (\$50 late fee does not include nomination fee). Foals not identified by **September 1** will not be allowed to show as weanlings.
- E. Foal ID's received after September 1 will be accepted with a \$375 identification fee, plus all corresponding late fees (\$50 late fee does not include nomination fee).
- F. To make your foal eligible for the yearling and two year old Futurities, there will be a nomination fee of **\$25** payable by **July 1** of the weanling year. Payment made after July 1 of weanling year will DOUBLE until April 1 of yearling year, when it will become TRIPLE. In case foal is sold, eligibility remains with the horse.
- G. A one-time non-refundable fee of \$155 payable by July 1 of the weanling year will make your foal paid up and eligible for the weanling, yearling, and two year old futurity classes.
- H. Weanling entries will be split by age and sex into six (6) classes: early, intermediate and late fillies; early, intermediate and late stallions (any foals already gelded will go

into their corresponding stallion class). Age splits will be made by the Futurity committee at designated times the weekend of the Iowa Paint Horse Club Futurity Show. In case of a mid-point falling on a date which is more than one foal's birth date, all foals born on that date will go into the same class to put as near equal number as possible into each class. In the case of an odd number, the early class will be the larger.

- I. 20% of the gross receipts pertaining to the weanling division will be held back for their ongoing yearling and two-year-old Futurities. Balance of the gross receipts of the weanling division, less expenses, will be divided proportionately according to how many actually show in each of the four weanling classes.
- J. Each class will pay back one (1) place for each two (2) entries shown, not to exceed payment of 16 places. Ties will not be broken; premiums will be added and split.

### IX. YEARLING FUTURITY

- A. Refer to all General Futurity Rules (Section III).
- B. To keep your yearling eligible for the 2-year-old Futurity, there will be a sustaining fee of \$30 due and postmarked on or before **April 1** of the yearling year. Payment of yearling sustaining fee made after April 1 until August 1 is DOUBLE. Payment of yearling sustaining fee made after August 1 until September 1 is \$300. No late yearling entries will be accepted after **September 1** of the yearling year. A COPY OF REGISTRATION PAPERS MUST ACCOMPANY SUSTAINING FEE (Refer to VIII-C).
- C. Yearlings may go into the **Halter Futurity** or **Longe Line Futurity**, but not both, and this must be specified to the Futurity Secretary, and postmarked on or before **September 1**. Any yearlings paid up but not specified as Longe Line or Halter by **September 1** will automatically be entered into the Halter Futurity and will not be allowed to change.
- D. For the Yearling Futurity, 60% of the accumulated purse plus 60% of the total accumulated interest as of September 1 will be pre-rated into 3 yearling halter classes: fillies, geldings, and stallions and one longe line class (breeding stocks included), according to how many actually show in each class. Each class will pay back one (1) place for each two (2) entries up to a maximum of 16 paybacks per class. Ties will not be broken; premiums will be added and split. A proportionate amount of the expenses of operation, and drug testing fees, if any, will be

deducted from the yearling purse before disbursement.

**X. TWO YEAR OLD WESTERN PLEASURE**

- A. Refer to all General Futurity Rules (Section III).
- B. Providing previous eligibility and sustaining fees have been paid and regardless of whether or not the horse was shown in either the weanling or yearling Futurities, a sustaining fee of **\$100** will be due and postmarked on or before **April 1** of the two year old year to make the horse eligible for the Western Pleasure Futurity. Beginning with fees sent and postmarked on or before April 2, until **August 1** the sustaining fee is DOUBLE. With fees sent postmarked on or before dates between August 2 and **September 1** the sustaining fee is \$300. No fees will be accepted after the postmarked date of September 1 of the 2-year-old year. In case of transfer, eligibility remains with the horse. Eligible breeding stocks are included. A COPY OF REGISTRATION PAPERS MUST ACCOMPANY SUSTAINING FEE.
- C. Reinstatement of 2-year-old eligible by birth for the Breeder's Futurity, on which the weanling nominating fee and/or yearling sustaining fee was not paid, may be obtained by paying TRIPLE the initial payment of any unpaid weanling nominating or yearling sustaining fees postmarked on or before April 1 of the 2-year-old year. Reinstatement fees paid and postmarked after April 1, but postmarked on or before September 1, will be QUADRUPLE the initial payments. No fees will be accepted after the postmarked date of September 1 (Refer to VIII-C).
- D. Current APHA rules for 2-year-olds will apply for the Western Pleasure Futurity and any entry may be subject to drug testing under the current APHA rules.
- E. Purse will consist of the remaining 40% of the previously collected purse, plus interest, all of the 2-year-old sustaining fees, any reinstatement fees, any unclaimed premiums, plus any miscellaneous funds less expenses of operation and drug testing fees and will be pro-rated by the number of entries that actually show in each division – Open and Non-Pro. Each class will pay back one (1) place for each two (2) entries shown, not to exceed payment of 16 places. Ties will not be broken; premiums will be added

and split equally. "Day Money" of 15% of the purse will be paid on 5 places per judge.

- F. **Non-Pro 2-Year-Old Western Pleasure** entries must specify which division to the Futurity Secretary and postmarked on or before **September 1** of the 2-year-old year. Horses not specified will be automatically entered in the Open division and will not be allowed to change. Copy of current Youth or Amateur card must accompany entry. APHC rules of ownership apply. Current cards must be effective on or before **September 1** of the 2-year-old year. **NO TEMPORARY CARDS WILL BE ACCEPTED.**

**XI. SPECIAL AWARD**

- A. As an incentive to IPBF participants to show their horses as weanlings, yearlings and 2 year olds, \$3000 will be set aside from the proceeds of the stallion auction. \$1000 will be awarded to the owner of the horse accumulating the most points, \$1000 will be awarded to the Breeder, (owner of dam at time of breeding), and \$1000 will be awarded to the donor of the stallion services. (The horse must be shown all three (3) years).

**XII. MISCELLANEOUS RULES**

- A. If the bloodlines of a horse are protested, the protestor must deposit \$250 cash, money order or certified check with the Futurity Secretary within ten (10) days of the Futurity Show. Owner of said horse must make the horse in question and the nominated mare available for testing according to current APHA procedure. If the testing proves the correct parentage the protestor forfeits the deposit. If the testing proves incorrect parentage, the protestor will have the deposit refunded and all costs incurred will be billed to the owner of said horse. Horse will be disqualified and other contestant(s) moved up. Owner will be suspended from IPHC and results forwarded to APHA for further action. Futurity winnings will be held until final decision.
- B. The IPHC Board of Directors reserves the right to interpret, amend and enforce the above rules. Any decision concerning the application or interpretation of these rules by the IPHC Board of Directors shall be final. Any person participating in this Futurity including, but not limited to, owners, exhibitors, handlers and consignors shall indemnify and hold harmless the Iowa Paint Horse Club, its officers, directors and employees from and against all claims, demands, causes of actions, and expenses of every kind including attorney fees, arising out of

or related in any manner to the acts or omissions of an owner, exhibitor, handler, or consignor, or the actions of any animal under the care, custody or control of the owner, exhibitor, handler or consignor.

Every person and legal entity by participating in this Futurity does thereby agree:

1. If unsuccessful in an attempt to overturn Iowa Paint Horse Club decisions, actions, rules or regulations, to reimburse the Iowa Paint Horse Club for its reasonable attorney fees, court costs and other reasonable expenses incurred in defense of such suit; and
2. That no action will be commenced, whether in law or equity against the Iowa Paint Horse Club in any court other than the Iowa District Court for Polk County, Iowa.
