points in the three years of futurity eligibilty.

Welcome to another wonderful year of the Iowa Paint Breeders Futurity Auction! Last year continued to be a success for IPBF despite the struggles that have plagued the industry. Continuing changes in the industry is one of the reasons the committee modified some already existing rules and added some new ones for 2012. These modifications should ensure that no matter what life can throw at it, the Iowa Paint Breeders Futurity will stay strong for years to come.

This year marks the return of the ***Stallion Auction Supplement Sheet!*** Every effort is made to get all stallions in this catalog for potential buyers to research and plan their breedings; however, the continued growth of the fall show schedule makes it harder and harder for stallion owners to meet the catalog print deadline so it can reach all of you in a timely fashion. Our goal is not to penalize owners who are showing in the fall! Please watch [www.iowapainthorseclub.com](http://www.iowapainthorseclub.com) for stallions added to the auction after the catalog is mailed to everyone.

After much discussion, thought and drafting, a rule has been published in an attempt to address the cheating issue. This was addressed in two areas:

- 1) A modification to the specific set number of divisions for weanlings, and
- 2) An on-site inspection process for futurity nominated mares, if needed.

We would like to thank everyone for their patience as we worked with APHA and others in the industry to come up with these solutions. **Mare owners, this DOES CHANGE your mare nomination requirements.** Please review all italicized items in the 2012 rules.

As always, we are so very thankful to our Stud Owners who donate these services, and the breeders who continue to bring new life into the industry. We also want to applaud all those who put in the long hours and hard work it takes to get these colts ready for the big show! It takes each and every one of you for a successful year!

The members of the committee are more than happy to assist you with questions concerning stud information we have on-file, auction procedures and the futurity show. The information in the catalog has been printed as it was provided to the committee. We ask that you please research your potential purchases carefully. We have done our best to provide you with the information to do so. We welcome all suggestions for improvement of the futurity and appreciate all of those who took the time to answer our futurity survey. This guided us, and the IPHC Board, in our decisions for the 2012 year.

Best of luck to everyone, and thanks for choosing the Iowa Paint Breeders Futurity!

## Mail In Bids

If you cannot attend this sale, you are invited to submit a mailed-in bid on any of the stallion service fees you are interested in purchasing. Please make out a check for each stallion in the largest amount that you will be willing to spend on that service fee. We will bid for you. In the event we succeed in buying the stallion you've selected for less than your check value, you may send a new check for the correct amount or a refund will be mailed to you as soon as possible after the auction.

Your confidence will be respected.

In the case of identical bids, the earlier postmark will prevail, as will live bids in the audience at the auction.

Mail-in bids must be in the sale office prior to the beginning of the auction.

Phone bids will be accepted. **Prior arrangements must be made.**

## AUCTION & FUTURITY REMINDERS

PLEASE READ ALL RULES IN  
THE BACK OF THIS  
CATALOG!

### IMPORTANT ELIGIBILITY FACTS

1. Stallion Service **MUST** sell or offspring will not be eligible for futurity.
2. IF stallion sells, that stallion has a maximum of 3 foals eligible from that sale; one from the purchaser, and two from the stallion owner (which is not required to be used BY the stallion owner themselves).
3. Slots of Stallion Owners still require mares to be nominated as outlined in the rules.
4. ABSOLUTELY NO MARE NOMINATIONS ACCEPTED AFTER DEC. 31<sup>st</sup> of AUCTION YEAR.

### Don't forget the \$3,000!

This is an Incentive for the horse accumulating the most points after showing in 3 years of the futurity! (\$1,000 to Horse Owner, \$1,000 to Stallion Service Donor, \$1,000 to Mare Nominator)

### STALLION OWNERS

Please stop in the sale office prior to leaving the auction to help keep as much money "in the pot" as possible. You achieve this by saving mailing fees when you pick up your packets. If you submitted an original picture; it too can be picked up at this time.

### PURCHASER NOTICES

1. Resulting foals **MUST BE** eligible for APHA registration (see APHA one-paint parent rule).
2. Mares must be broke to lead, tie, and be in good condition and good health when bred.
3. Stallion owners may require signed Farm Breeding Contracts. Please check with Lesa, Carrie or Jeannie to see if applicable to your intended purchase and what requirements may be.
4. All agreements, including shipped semen, are between the Mare Owner and the Stallion Owner. Iowa Paint Horse Club and the Iowa Paint Breeders Futurity act as an agent only.

Futurity packets not picked up the day of sale will be mailed as soon as possible after the sale.

### A BIG THANK YOU!!!

Thank you to EVERYONE who donated a fee and/or purchased a fee to be part of the BEST Paint Futurity in the Nation. A special thanks also to all of those volunteers who help during the auction!

HAVE A VERY BLESSED 2012!

## 2012 IOWA PAINT BREEDER'S FUTURITY RULES

### Effective for Futurity Foals Born in 2013

(Revised by IPHC Board of Directors October 7, 2011)

*Revisions in italics*

#### I. FUTURITY COMMITTEE

- A. The Futurity Committee shall consist of at least three (3) members, one of which shall serve as the secretary. The IPHC President will appoint all Breeder's Futurity committee members, but the appointment(s) must be approved by the IPHC Board of Directors.
- B. The Futurity Secretary will maintain a list of eligible horses, along with a record of payments of nomination and sustaining fees and will be accountable to the Iowa Paint Horse Club (IPHC) Board of Directors.
- C. The Iowa Paint Horse Club Treasurer will maintain financial records and an accounting of Futurity income, expenses and disbursements.
- D. The Futurity Committee reserves the right to make decisions on the requests for reclassifications, substitutions, and/or refunds. In the case of an unusual request or circumstance, the Futurity Committee will present the request to the IPHC Board for their consideration, and their decision will be final.

#### II. RESPONSIBILITIES OF THE FUTURITY PARTICIPANTS

- A. It is the responsibility of all IPBF participants to know and abide by all the Rules as published.
- B. Failure to meet Futurity responsibilities (membership, payment schedule, etc.) will disqualify nominated horse and all payments will be forfeited.

#### III. GENERAL RULES

- A. All futurity eligible horses must be registered with the APHA, either as regular or breeding stock. Both regular registered and breeding stock futurity-eligible horses will be shown together in the same class. ORIGINAL REGISTRATION PAPERS must be presented and matched to the horse before showing.
- B. There can be no substitution for any horse entered in the Futurity. In the case of withdrawal from competition, disqualification, or death, all fees paid are forfeited and shall remain in the Futurity fund to be distributed as purse.
- C. Owner, exhibitor and handler of Futurity entry must be current IPHC members.

Exhibitor must be the same under all judges. All IPHC rules will apply.

- D. The exhibitor or handler of each futurity entry, unless he or she is the registered owner of said entry or member of the immediate family, as defined by the APHA, must have been an exhibitor in the Iowa Paint Horse Club-approved shows (excluding the futurity show) a minimum of three (3) times during the current year. Refer to APHA rules of ownership.
- E. In the event that a handler is permitted in the class, these handlers must meet all APHA and IPHC rules for exhibitors in that class.
- F. Each Futurity entry will be charged an office fee the day of the show. It is the responsibility of the owner or exhibitor of each entry to complete the entry, fill in the exhibitor's name, sign the form and pay the office fee and any other monies owed for that entry.

All weanlings must be checked in and entries paid before the posted deadline. Other age divisions must have entries paid before entering their class.

It is also the responsibility of the owner and exhibitor to verify current membership and qualification of the exhibitor or any handlers. (Refer to III C-E).

- G. Any and all premiums earned will be mailed to owners as soon as administratively possible, provided all rules and responsibilities have been met.
- H. Social Security number of the person receiving premium must be presented to Futurity Secretary and premium earned will be reported to IRS in accordance with current laws.
- I. All entries are subject to APHA rules. Any violations of APHA rules will result in disqualification and forfeiture of any monies earned. Any entry may be subject to drug testing. Owners or exhibitors found in violation of APHA rules may automatically be subject to testing at following futurities.
- J. If the class is required to show two goes, the number of paybacks will be determined by the number of entries judged in the first go. Horse must be shown by the same exhibitor in all goes entered. Entry is NOT required to show in both goes.
- K. All specific deadlines set within these rules will be enforced, **NO EXCEPTIONS**.
- L. All provisions of the Stallion Service Agreement are binding under the IPBF rules.
- M. *Participants agree, based upon the signature(s) provided on Stallion Service Agreements,*

*Auction Purchase Forms, mare Nomination Forms, and foal Identification Forms (herein referred to as "Futurity Forms") to consent to an on-site inspection of said horses involved in the futurity.*

- F. *Expenses incurred for on-site visits will be deducted from the corresponding weanling futurity monies.*

## XI. WEANLING FUTURITY

- A. Refer to all General Futurity Rules (Section III).
- B. Foals resulting from services purchased through this Futurity Auction, by way of late purchases or approved reclassifications must be identified on the form provided in the Futurity packet and sent to the futurity secretary, postmarked on or before **July 1** of the weanling year.
- C. In the case of embryo transfers, only one foal, resulting from the nominated mare and the purchased stallion, will be eligible for the Iowa Paint Breeder's Futurity.
- D. To make your foal eligible for the yearling and two year old Futurities, there will be a nomination fee of **\$25** payable by **July 1** of the weanling year. Payment made after July 1 of weanling year will DOUBLE until April 1 of yearling year, when it will become TRIPLE. In case foal is sold, eligibility remains with the horse.
- E. A one-time non-refundable fee of \$155 payable on or before July 1 of the weanling year will make your foal paid up and eligible for the weanling, yearling, and two year old futurity classes, paying this fee after the weanling year will result in the addition of all late fees to this one-time fee.
- F. Late foal identifications will be accepted with a \$50 late fee if postmarked on or before **July 31**. Foal ID's received after July 31 and postmarked on or before September 1 will be accepted with a \$300 additional fee, plus all corresponding late fees (\$50 late fee does not include nomination fee). Foals not identified by **September 1** will not be allowed to show as weanlings.

- G. Foal ID's received after September 1 of the year in which they were born will be accepted with a \$375 identification fee *PLUS relevant fees as outlined in the yearling or two year old futurity rules XII and XIII respectively*. Refer to VIII for nomination fees applicable.

Please note, this would not make this foal eligible to show at the IPBF as a weanling.

- H. Weanling entries will be split by age and sex:
  - *In the case of 45 or more paid entries per sex: three (3) classes - early, intermediate and late (any foals already gelded will go into their corresponding stallion class).*
  - *In the case of 44 or less paid entries per sex: two (2) classes - early and late.*

Age splits will be made by the Futurity committee at designated times the weekend of the Iowa Paint Horse Club Futurity Show. In case of a mid-point falling on a date which is more than one foal's birth date, all foals born on that date will go into the same class to put as near equal number as possible into each class. In the case of an odd number, the early class will be the larger.

- I. 20% of the gross receipts pertaining to the weanling division will be held back for their ongoing yearling and two-year-old Futurities. Balance of the gross receipts of the weanling division, less expenses, will be divided proportionately according to how many actually show in each of the four weanling classes.
- J. Each class will pay back one (1) place for each two (2) entries shown, not to exceed payment of 16 places. Ties will not be broken; premiums will be added and split.

## XII. YEARLING FUTURITY

- A. Refer to all General Futurity Rules (Section III).
- B. To keep your yearling eligible for the 2-year-old Futurity, there will be a sustaining fee of \$30 due and postmarked on or before **April 1** of the yearling year. Payment of yearling sustaining fee made after April 1 until August 1 **DOUBLES to \$60**. Payment of yearling sustaining fee made after August 1 until September 1 is \$300. No late yearling entries will be accepted after **September 1** of the yearling year. A COPY OF REGISTRATION PAPERS MUST ACCOMPANY SUSTAINING FEE.
- C. Reinstatement of a yearling eligible by birth for the Breeder's Futurity, on which the foal ID and/or weanling nominating fee has not been paid, may be obtained by paying the *\$375 foal ID fee PLUS \$50 late fee PLUS (if applicable) the yearling sustaining fee as per postmark deadlines set up above in XII-B*. Fees accepted

after the postmarked date of September 1 will not be allowed to show the yearling year.

- D. Yearlings may go into the Halter Futurity or Longe Line Futurity, but not both, and this must be specified to the Futurity Secretary, and postmarked on or before September 1. Any yearlings paid up but not specified as Longe Line or Halter by September 1 will automatically be entered into the Halter Futurity and will not be allowed to change.
- E. For the Yearling Futurity, 60% of the accumulated purse plus 60% of the total accumulated interest as of September 1 will be pro-rated into 3 yearling halter classes: fillies, geldings, stallions and one longe line class (breeding stocks included), according to how many actually show in each class. Each class will pay back one (1) place for each two (2) entries up to a maximum of 16 paybacks per class. Ties will not be broken; premiums will be added and split.

### XIII. TWO YEAR OLD WESTERN PLEASURE

- A. Refer to all General Futurity Rules (Section III).
- B. Providing previous eligibility and sustaining fees have been paid and regardless of whether or not the horse was shown in either the weanling or yearling Futurities, a maintenance fee of \$100 will be due and postmarked on or before April 1 of the two year old year to make the horse eligible for the Western Pleasure Futurity. Fees postmarked on or between April 2 and August 1 have a maintenance fee which DOUBLES to \$200. Fees postmarked on or between August 2 and September 1 have a maintenance fee of \$300. In case of transfer, eligibility remains with the horse. Eligible breeding stocks are included. A COPY OF REGISTRATION PAPERS MUST ACCOMPANY SUSTAINING FEE.
- C. Reinstatement of 2-year-old eligible by birth for the Breeder's Futurity, on which the foal ID fee and/or weanling nominating fee and/or yearling sustaining fee was not paid, may be obtained by paying the \$375 foal ID fee PLUS \$50 late fee PLUS (if applicable) the \$90 yearling sustaining fee PLUS (if applicable) the 2 year old sustaining fee as per postmark deadlines set up above in XIII-B.
- D. Fees accepted after the postmarked date of September 1 will not be accepted.
- E. Current APHA rules for 2-year-olds will apply for the Western Pleasure Futurity.

- F. Purse will consist of the remaining 40% of the previously collected purse, plus interest, all of the 2-year-old sustaining fees, any reinstatement fees, any unclaimed premiums, plus any miscellaneous funds less expenses and will be pro-rated by the number of entries that actually show in each division – Open and Non-Pro. Each class will pay back one (1) place for each two (2) entries shown, not to exceed payment of 16 places. Ties will not be broken; premiums will be added and split equally. "Day Money" of 15% of the purse will be paid on 5 places per judge.
- G. Non-Pro 2-Year-Old Western Pleasure entries must specify which division to the Futurity Secretary and postmarked on or before September 1 of the 2-year-old year. Horses not specified will be automatically entered in the Open division and will not be allowed to change. Copy of current Youth or Amateur card must accompany entry. APHA rules of ownership apply. Current cards must be effective on or before September 1 of the 2-year-old year. **NO TEMPORARY CARDS WILL BE ACCEPTED.**

### XIV.
