WELCOME!

Welcome to the 2014 Iowa Paint Breeders Futurity Stallion Auction! We are excited to once again have a very nice selection of stallions to offer for your consideration. Even with the uncertain times that have fallen upon the horses industry, the Iowa Paint Breeders Futurity continues to remain strong – and we thank each and every one of you for your continued participation and support.

This catalog is complete with stallion contracts that were received right before going to print. Any contracts received after going to print will be available on a supplement sheet the day of the auction. Stallion contracts will be accepted for the supplement sheet until noon on January 15, 2014. Any contracts received after that time and date will not be able to be included in the 2014 auction. Please watch the website – www.iowapainhorseclub.com – for a list of stallions that will be on the supplement sheet.

We encourage you to read and follow the rules, especially the forms and fees due and the deadlines for those forms and fees. The committee adheres strictly to these rules. If you ever have a question about any of the rules or concerning the auction or futurity, please feel free to contact any of the committee members. We are here to assist you.

The information in this catalog is printed as it was provided to the committee. Any inadvertent errors or omissions will be announced the day of the auction. Please be sure to research the stallions you are interested in carefully.

Thank you to the stallion owners who donate their stallion services. Huge thanks also to the mare owners who purchase these stallion services.

Auction day is always one of the biggest highlights of the year! We hope you enjoy the day, enjoy visiting with old friends, making new friends, and planning and hoping for that foal of your dreams!

Thank you for choosing the Iowa Paint Breeders Futurity – and enjoy the auction!

II. RESPONSIBILITIES OF THE FUTURITY PARTICIPANTS

- A. It is the responsibility of all IPBF participants to know and abide by all the Rules as published.

XI. WEANLING FUTURITY

- A. Refer to all General Futurity Rules (Section III).
- B. Foals resulting from services purchased through this Futurity Auction, by way of late purchases or approved reclassifications must be identified on the form provided in the Futurity packet and sent to the futurity secretary, postmarked on or before **July 1** of the weanling year.
- C. In the case of embryo transfers, only one foal resulting from the nominated mare and the purchased stallion will be eligible for the Iowa Paint Breeder's Futurity.
- D. To make the foal eligible for the yearling and two year old Futurities, there will be a nomination fee of **\$25** payable by **July 1** of the weanling year. Payment made after July 1 of weanling year will **DOUBLE** until April 1 of yearling year, when it will become **TRIPLE**. In case foal is sold, eligibility remains with the horse.
- E. A one-time non-refundable fee of **\$155** payable on or before July 1 of the weanling year will make the foal paid up and eligible for the weanling, yearling and two year old futurity classes. Paying this fee after the weanling year will result in the addition of all late fees to this one-time fee.
- F. Late foal identifications will be accepted with a **\$50** late fee if postmarked on or before **July 31**. Foal ID's received after July 31 and postmarked on or before September 1 will be accepted with a **\$300** additional fee, plus all corresponding late fees (**\$50** late fee does not include nomination fee). Foals not identified by **September 1** will not be allowed to show as weanlings.

- G. Foal ID's received after September 1 of the year in which they were born will be accepted with a **\$375** identification fee PLUS relevant fees as outlined in the yearling or two year old futurity rules XII and XIII respectively. Refer to VIII for nomination fees applicable. Please note, this would not make this foal eligible to show at the IPBF as a weanling.

- H. Weanling entries will be split by age and sex:
 - In the case of 45 or more paid entries per sex: three (3) classes - early, intermediate and late (any foals already gelded will go into their corresponding stallion class).
 - In the case of 44 or less paid entries per sex: two (2) classes - early and late.

Age splits will be made by the Futurity committee at designated times the weekend of the Iowa Paint Horse Club Futurity Show. In case of a mid-point falling on a date which is more than one foal's birth date, all foals born on that date will go into the same class to put as near equal number as possible into each class. In the case of an odd number, the early class will be the larger.

- I. 20% of the gross receipts pertaining to the weanling division will be held back for their ongoing yearling and two-year-old Futurities. The balance of the gross receipts of the weanling division, less expenses, will be divided proportionately according to how many entries show in each of the weanling classes.
- J. Each class will pay back one (1) place for each two (2) entries shown, not to exceed payment of 16 places. Ties will not be broken; premiums will be added and split.

- E. For the Yearling Futurity, 60% of the accumulated purse plus 60% of the total accumulated interest as of September 1 will be pro-rated into 3 yearling halter classes: fillies, geldings and stallions and one longe line class (solid paint bred included), according to how many entries show in each class. Each class will pay back one (1) place for each two (2) entries up to a maximum of 16 paybacks per class. Ties will not be broken; premiums will be added and split.
